

Hello;

I'm very pleased to be presenting to you the band WAR HEROES (Tribute to Hendrix), in which I play the guitar and sing.

We are currently searching for places where we could perform and that would be available from now on (September 2015).

Here are a few videos extracts from our repertoire so that you can get an idea of what we're playing, as well as our Facebook page.

If interested or for any additional information, feel free to contact me on this same e-mail address or by phone – number below.

Best regards,

Aymeric Simon
